Photography Workshops

Ken has been a professional photographer for 18 years with a specialty in people. His diverse portfolio

Locally, Ken works with Lawrence University, American National Bank Fox Cities, and The Fox Cities Performing Arts Center. Examples of his work can be seen on his website www.kencobb.com

After falling for a local gal, Ken relocated to Appleton from Washington, DC. He and his wife Cassie are the proud parents of two very special children.

Beginning September 6, Ken will host a three-part workshop on photography fundamentals from the perspective of the family and hobby photographer. These workshops will address common everyday frustrations and give students a better understanding of their cameras.

All workshops will be held at Paper Creations and will begin promptly at 6:30. Cost is \$30 plus tax per person for Part I only, or \$60 plus tax per person for all three sessions.
